

WillardPublicSchools

Student Focused | Strongly Connected | Success Driven

Willard Families,

We've had a blast learning at 2020 Summer Discovery this July with your students! We're looking forward to two more weeks of discovery to round out our Summer School learning.

Due to recent health data and the [City of Springfield Facial Covering Ordinance](#), we will be following the new guidance of requiring facial coverings for our staff, as well as our **students going into 5th grade and older. However, all students are encouraged to wear a facial covering.** This is an opportunity to unite as our Willard Family in an effort to keep our students and families safe. Facial coverings will not be required when at recess, PE, or meal time or anytime students are able to *properly* social distance. Disposable masks will be available for students upon request. **This guidance goes into effect Thursday, July 16th.**

If you have questions about this guidance or **your 5th-7th grade student** is not able to wear a facial covering, please reach out to your student's Summer Discovery Principal (contact information below).
