

## **DISTRICT WELLNESS PROGRAM**

The Board recognizes the relationship between student well-being and student achievement as well as the importance of a comprehensive district wellness program. Therefore, the district will provide developmentally appropriate and sequential nutrition and physical education as well as opportunities for physical activity. The wellness program will be implemented in a multidisciplinary fashion and will be evidence based.

### **Wellness Committee**

The district will establish a wellness committee that consists of at least one (1): parent, student, nurse, school food service representative, Board member, school administrator, member of the public, and other community members as appropriate. If available, a qualified, credentialed nutrition professional will be a member of the wellness committee.

### **Nutrition Guidelines**

It is the policy of the Willard R-II School District that all foods and beverages sold to students during the school day on any property under the jurisdiction of the district will meet the nutrition standards established by the U.S. Department of Agriculture (USDA). These nutrition standards apply to all food and beverages sold to students, including those sold in vending machines, school stores and through district sponsored fundraisers, unless an exemption applies. For the purposes of this policy, the school day is the time period from the midnight before to 30 minutes after the official school day.

### **Nutrition Promotion and Education**

The district will provide nutrition education aligned with the Show-Me Standards and Missouri's Frameworks for Curriculum Development in Health/Physical Education in all grades. In addition, the district will disseminate nutrition messages and other nutrition-related materials received from the USDA to students, staff and the community through a variety of media methods. The wellness program coordinators, in consultation with the wellness committee, will develop procedures that address nutrition education and promotion..

### **Physical Activity and Education**

The district will provide physical education and opportunities for physical activity in accordance with state requirements and aligned with the Show-Me Standards and Missouri's Frameworks for

Critical

Curriculum Development in Health/Physical Education in all grades. The wellness program coordinators, in consultation with the wellness committee, will develop procedures that address physical education and physical activity.

### **Other School-Based Activities**

The wellness program coordinators, in consultation with the wellness committee, are charged with developing procedures addressing other school-based activities to promote wellness.

### **Evaluation**

The wellness committee will assess all education curricula and materials pertaining to wellness for accuracy, completeness, balance and consistency with the state and district's educational goals and standards. Wellness program coordinators shall be responsible for devising a plan for implementation and evaluation of the district wellness policy and are charged with operational responsibility for ensuring that schools meet the goals of the district wellness policy. Wellness program coordinators will report to the Board periodically regarding the content and implementation of the wellness program and make recommendations for modifications to this policy as appropriate. The report will be made available to the public on the district's website or by other appropriate means.
