

## **MISSOURI'S HEALTH CHILDREN AND YOUTH PROGRAM**

If your child is currently receiving direct services for occupational therapy, physical therapy and/or speech/language from the school district, we want to inform you that if your child is or becomes Medicaid eligible, your child's Individual Education Plan (IEP) and possibly other pertinent records, e.g., evaluations and physicals, will be reviewed by a physician retained by the District. This physician will determine whether the direct service(s) provided to your child are medically necessary as defined by the Division of Social Services/Department of Medical Services. If a physician reviews your child's record, that review will be performed without charge to you. Should you have any questions or concerns, please contact your School District at 417-742-2584.
