Our Willard Family is growing student leaders to become life-ready graduates.
Through the action of our Willard Early Childhood Task Force last fall, nearly 90 of our youngest learners joined the Willard Tiger family this year as Pre-Kindergartners in each of our five elementary buildings. One classroom of approximately 20 pre-k learners has been added to each building to learn and grow along with our Kindergarten-4th grade friends. By expanding our Pre-Kindergarten program, we are preparing more learners for Kindergarten at Willard Schools than ever before.

The 7 Habits of Highly Effective people is shifting paradigms across our District. Used from Pre-kindergartners to administrators, the habits are changing the way our District operates by empowering students to lead like never before. From organizing our Veteran's Day celebrations to...
In 2017 a bond issue was passed to construct an additional intermediate school in the southern part of our District. Thanks to our generous community voters, we were given the opportunity to build a student-centered learning space to house more than 350 Willard learners. Led by Principal Stacey Pippin, Willard Intermediate School-South opened its doors this fall. Take a look!
